

ZipApp™, SBLI's streamlined drop ticket solution, makes life insurance easy. In just three simple steps, you can get business done (and get paid) faster. No meddlesome paperwork, no paramed scheduling, no stress.

Step 1: Complete the ZipApp Ticket

Fill out short questions in an easy-to-use interface and submit a ticket.

Step 2: Submit to the Fulfillment Center

The fulfillment center will oversee the entire paramed and application completion process.

Step 3: We do the rest!

The fulfillment center will send the case to SBLI for underwriting and policy delivery, if approved. A prompt commission payment will follow.
